

An invitation to

CARER SUPPORT GROUPS:

A workshop for facilitators

FREE

Carers NSW would like to invite you to attend a FREE one day workshop. *Carer Support Groups: A workshop for facilitators* covers a broad range of topics and issues that relate to the role of a carer support group facilitator.

Topics will include:

- An introduction to group processes and group work
- Identifying and responding to issues specific to carers and the group
- How to develop and maintain ethical facilitation
- An introduction to Carers NSW resources for carer support groups, including *Carer Support Groups: An information and support resource for facilitators*.

This training is open to:

- Carers and service providers who currently facilitate a carer support group
- Carers and service providers who are interested in facilitating their own group
