Have your say about person centred approaches to disability support services in NSW.

## **Consultation sessions at venues across NSW**

The NSW Government is seeking feedback from people with a disability, their families and carers and members of the community with an interest in improving disability services.

You can have your say by attending a consultation session in your area during August and September 2011.

**To register to attend a session go to [www.nswpcaconsult.net](http://www.nswpcaconsult.net)**

If you can't attend, email your submission to [pcaconsultations@dhs.nsw.gov.au](mailto:pcaconsultations@dhs.nsw.gov.au) or phone (02) 8270 2132.
